

Commercial Construction Assistant Superintendent

Dallas-Fort Worth Metroplex

About Us

For 40 years, Greenstreet has been committed to serving our clients beyond expectation. We're more than just builders; we're visionaries who exceed expectations and forge enduring relationships grounded in honesty, trust, and full transparency. We are fully engaged with our clients as partners from project inception to completion, fostering a collaborative team atmosphere. As a Collaborative Contractor, we're not afraid to think differently, and we're on a mission to redefine and make a positive impact on the construction industry. Our commitment to lean construction principles sets us apart, driving efficiency and teamwork in all that we do.

At Greenstreet, you'll find more than a job; you'll find a family, a culture that supports your growth, and a team dedicated to making a difference in the construction industry. If you're ready to be a part of a collaborative, forward-thinking, and family-oriented team, Greenstreet is the place for you.

Position Overview

As an Assistant Superintendent at Greenstreet, you'll play a vital role in ensuring the successful execution of our projects. You will work closely with our experienced team, gaining valuable hands-on experience while contributing to the overall success of a project. This role is an excellent opportunity for someone looking to advance their career in construction and grow within our company. Key responsibilities include:

On-Site Support: Assist the Superintendent in overseeing on-site construction activities, managing the jobsite, coordinating trades, obtaining tools and materials needed, receiving and handling materials, project clean up, and other daily tasks as needed in order to help the project advance.

Safety First: Champion a safety-first culture, enforcing that all workers adhere to safety protocols and regulations.

Quality Assurance: Participate in quality control inspections and ensure workmanship meets quality expectations.

Site Logistics Control: Assist in the cleanliness and organization of the site. Monitor and assist with the allocation of resources, including manpower, equipment, and materials. Receive, log, and organize material shipments.

Documentation: Maintain accurate records of site activities to assist the Superintendent with daily logs and documentation.

Problem Solving: Identify and address on site challenges and issues promptly, working closely with the Superintendent to find solutions.

Effective Communication: Communicate effectively and professionally, both written and verbal, with clients, trade partners, and company.

Qualifications

- High School Diploma or GED required
- Construction background is a plus
- Practical knowledge of at least one construction trade is a plus
- Ability to read and understand construction drawings and specifications
- Passionate for construction
- Willingness to learn
- Ability to travel to project locations
- Proficiency in computers including Microsoft Office Suite
- Bluebeam experience a plus
- Procore experience a plus
- Strong communication skills; both written and verbal
- Strong customer relations skills
- Strong attention to detail
- Strong organizational skills
- Dependable

Why Greenstreet?

- Competitive salary and benefits package
- Our commitment to professional growth means that you'll have many opportunities to advance your career and achieve your goals.
- We are a team that values collaboration and thrives on innovative thinking. Your contributions will be celebrated and encouraged.
- We endeavor to train the best lead builders in the industry.
- We love what we do.
